

Aliens at School

By Jocelyn Craven

Characters:

Pukey
Mia
Nick
Will
Amber

Scene 1:

(At night on the baseball field. At rise, aliens come out of portal)

PUKEY: *(Inhales)* At last we have found earth. What thing are we going to do here? *(Walks around, grabs trash can)*

MIA: *(Slaps PUKEY)* Stop it, we are only here to find our portal, don't get used to it.

NICK: To pass as humans, we must try out for baseball.

Scene 2

(Amber and Will at school)

WILL: *(Walking with AMBER)* Look! *(Points to aliens)* What are those kids doing with their lockers?

AMBER: Maybe they've never had lockers before.

WILL: *(Shakes head)* I don't now, what if they're not from this planet?

AMBER: They're probably just really weird.

Scene 3

(Sidewalk. AMBER and WILL are following aliens)

MIA: Are they still following us?

NICK: Yes, they are.

PUKEY: Oh, they are. I just changed shapes.

MIA/ NICK: Pukey, no!

MIA: Are you really that dumb?

PUKEY: Yes, I am.

(Portal falls out of MIA's pocket. She keeps walking.)

Scene 4

(School)

WILL: Look! They're doing it again! *(Looks at aliens)*

AMBER: It is strange that they haven't figured out lockers yet. They're coming over here!

MIA: Hi! We're new here, who are you?

NICK: Yeah, how are you?

WILL: I'm Will, and this is Amber.

PUKEY: I'm Pukey, this is Mia and Nick. We are aliens and we are going to destroy Earth.

MIA: Don't mind him, he's just a weirdo.

WILL: I told you they're not normal.

Scene 5

(Sidewalk. AMBER and WILL are walking. WILL sees something shiny and picks it up)

WILL: Woah, what is this?

AMBER: It looks like a piece of a beyblade.

WILL: What if it's a portal that belongs to those alien kids and they come to destroy earth like that weird one said!?

AMBER: It is not a portal, those kids are not aliens, they are just really weird, okay?

WILL: Okay.

Scene 6

(AMBER walking dog on sidewalk.)

AMBER: Come on Harry, quit sniffing that!

(HARRY moves and AMBER sees something shiny and picks it up)

AMBER: Maybe will was right.

Scene 7

(WILL's house)

AMBER: Sorry I came so late, but I think you're right.

WILL: About the aliens?

AMBER: Yes.

WILL: We need to put the pieces together.

(AMBER and WILL put pieces together, faint glow, nothing happens)

WILL: Well, that was boring.

AMBER: We have to find the aliens!

Scene 8

(Aliens lair)

AMBER: Why would their lair be the locker room at the baseball field?

WILL: Didn't you see the big impression in the field? This is where they first landed!

AMBER: Don't be so loud, they'll-

MIA: Well, well, well.

PUKEY: Hey! We found em!

NICK: (*Slaps PUKEY*) Duh!

AMBER: You'll never get away with this!

MIA: (*Snaps fingers*) But I already have.

Scene 9

(Alien lair. PUKEY and NICK grab AMBER and WILL and throw them in a cage)

AMBER: Ah! (*Throws herself against bars trying to get out*) Ouch!!

To be continued...
