TOTATO: Hey do you want to come with us on our mission?

DANNY: Why not, I am lost anyway.

ROSEY: Oh you are lost?

DANNY: Uh huh, I was going about my day and this pack of wolves came and attacked me and my herd. I thought that my herd ran to the woods but they ran somewhere else so I want to go look for them.

POTATO: Hey I'm hungry! I think I'm going to starve to death!

TOTATO: Stop being a big baby tater. We are very close to food, right dog?

ROSEY: Oh no, what am I going to do I don't think the potato twins like to eat grass for lunch! What am I going to do!

*(The friends travel and hear growls nearby)*

TOTATO: Tell me those were your family's growls.

ROSEY: Those are not my family's growls! (*Beat*) Wolves! Run guys!

(*ALL start to run away. Soon the wolves surround the team.*)

TOTATO: We're toast!

POTATO: Yummm.. French toast.

ROSEY: Plus Totato my family does not sound like a wild animal you rotten potato hm!

TOTATO: Sorry.

(*The WOLVES come closer and closer, soon they start to feel dizzy and run away.*)

ROSEY: What just happened?

(*A beetle lands on her nose*)

TOTATO: Hey there's our lunch.

ROSEY: No no, I think the beetle saved all our lives.

BEETLE: Of course I saved you, with my deadly toxic.

POTATO: What is that yucky smell.

BEETLE: Sorry about my yucky odor.

ROSEY: Well we can deal with a little odor, what is your name?

BEETLE: I am the wise old beetle, but you can call me Joe.

DANNY: Hi Joe, I don't know what to say and thank you for saving our lives.

POTATO: Can we please get going I'm hungry.

ROSEY: Sure but look over there? It's a house.

POTATO: Really?

ROSEY: Yeah!

POTATO: Food, yes!

DANNY: Civilization!

BEETLE: You did it!

(*ALL run to the house as fast as they could, ROSEY scratches on the door.*)

ROSEY: I am here, your favorite dog Rosey.

*(They find an open window and jump in.)*

BEETLE: It seems no one is here, are you sure you got the right house?

DANNY: Maybe we should keep looking.

TOTATO AND POTATO: Can we just find already! *(They ignore TOTATO and POTATO and see a picture on the floor.)*

BEETLE. Kid, sometimes life doesn't go your way.

ROSEY: Be quiet you old man.

TOTATO: Rosey don't be sad and Beetle do not say that.

ROSEY: *(Starts to cry)* My family left me. They never loved me. Why?

TOTATO: Why are you upset your family is right around you.

ROSEY: What do you... mean?

POTATO: He means that we are your family.

DANNY: We were with you and protected you with the wolves.

BEETLE: Kid we will never love you or unlove you ever again.

ROSEY: You guys are the best family a dog could ask for.
